## Typical Characteristics

Average Adhesion Values	<u>20 min</u> 12 oz/sq. in.	<u>24 hours</u> 25 oz/sq. in.
Opacity	100%	
Outdoor Durability	4 years vertical exposure	

Print-Smart PP2.5 GMR is an environmentally friendly solution for your short to medium-term removable applications. This PVC free media offers a gloss white finish with metallic back for 100% opacity. Double-sided PE liner resists curling and waving due to humidity and high heat dryers. Coated with UV protection, removable adhesive and 5 mil anti-curl liner for stability during printing. Designed for Solvent, Eco-Solvent, Latex based and UV inkjet printing systems.

The above information is base upon research believed to be reliable, but does not constitute a warranty. All material should be tested by the purchaser to determine suitability of the product for their purposes.
